Additionally, beginning August 2015, Tupperware Canada transitioned to an enhanced sales model with some adjustments to the earning opportunities. We will continue to provide income disclosures with information on the income of the enhanced sales model participants available in early 2016.

*Inactive Consultants are those plan participants that have earned some commissions from the sale of products, but have not achieved a minimum of \$500 in personal retail sales within a four month period during 2014.
**Participants in the Tupperware Breakthrough Plan are considered 'Active' if they have achieved a minimum of \$500 in personal retail sales during a four month period in 2014. Consultants, Managers, Star Managers, Executive Managers, Directors, Star Directors, Two Star Directors, Three Star Directors and Five Star Directors are all Active.

The earnings information above is for all Tupperware Breakthrough Plan sales force members who either earned profit or commission or both during 2014. The average annual income for all plan participants (including all ranks) in 2014 was \$707.97. The average annual income for all Active plan participants in 2014 was \$1,331.57. The earnings in this chart are not necessarily representative of the income, if any, that a plan participant can or will earn through his/her participation in the Tupperware Breakthrough Plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation or guarantee of earnings would be misleading. Success with Tupperware results depends on each individual participant's skills and personal efforts.
